Revival Services At Battetown Baptist Church Begins July 31

The Battetown Baptist Church will begin its summer revival on Friday, July 31. Services will be held each morning at 10 a. m. and each evening at 8 p. m. Prayer service begins at 7:30 p. m. Evangelist for the revival will be Rev. W. R. Dillard. A former pastor of the North Side Baptist Church in Mexia, he is now engaged in part time pastoral and evangelistic work.

Associated with him in the revival will be Rev. J. Frank Steele,

pastor of the Battetown Baptist Church. Rev. Steele says of Rev. Dillard, "He preaches without fear or favor, hating sin but loving the sinner."

The revival will be an open-air meeting, under the stars, where there will be room for everyone wishing to come.

Directing music for the revival campaign, which will continue through August 9, will be Harold Lewallen, assisted by Miss Rosemary Lightsey at the piano.

Field Inspection Begins Monday In Chamber Commerce Cotton Contest

Eighteen cotton producers have entered the Cameron Chamber of Commerce Cotton Contest. Inspection of the fields entered started on Monday, July 27. Closing date for entries was June 15.

P. W. Davis, chairman of the Crops Committee, said that this contest takes the place of the first bale premium which has been given in past years. \$100 will be given as first prize and \$50 as second prize.

The contest is being judged by a judging committee. A minimum of five acres must be in cultivation to qualify an entrant. The contest has been restricted to dry land farming but is open to all age groups. The plot to be judged must be marked or staked off so that the judges can identify the contest plot.

Basis of scoring the contest is (1) yield, 50%; (2) improved farm practices, 30% and (3) records, 20% in the improved

farm practices section the following division is being used: crop ping system, 5%; soil and water conservation, 5%; planting state certified seed, 5%; control of insects, 5%; cultivation of weeds, 5%; and application of fertilizer, 5%.

The Crops Committee explained that the first bale premium has never contributed to better farming. For that reason they voted to discontinue the first bale premium and replace it with this contest which will contribute to the development of good production practices.

"Christ For All People" Theme Of Tabernacle Revival

The Cameron Gospel Tabernacle began a two week revival at 7:45 p. m. Sunday night. The services are being held in a 50'x80' tent which has been erected in the 11th Street section of the city park, the side where the pavilion is located.

Rev. H. M. Bowley, pastor, opened the series of gospel meetings.

Theme of the revival is "Christ for All People." All Cameron churches and their pastors are cordially invited to attend the services. Those without church affiliation will also be welcome. This is a revival for ALL, without distinction as to faith or creed.

Two Found Guilty Of Selling Beer to Intoxicated Persons

Walter Malone pled guilty July 23 in County Judge Charles C. Smith's court to the charge of selling beer to intoxicated persons. He was fined \$100 and cost of court.

Margie Wells pled guilty on the same charge on July 23 and was also fined \$100 and cost of court. She was also charged with selling beer to a minor, but, on a motion from the State's attorney that the evidence was insufficient to obtain a conviction, that charge was dropped.

NEW DAUGHTER

Mr. and Mrs. Eugene Lawson of Rogers have a new little daughter, Peggy Sue, born at 7:14 p. m. July 25, at St. Edward Hospital. Peggy Sue weighed 8 pounds, 14 ounces.

Construction In Cameron Over Million Dollars

A surprising amount of construction work is going on in the Cameron area, Mayor O. B. Horstmann noted Wednesday. The combined building projects total \$1,347,471.

This million dollar figure includes \$390,000 for school building, \$15,000 for street paving, \$118,000 for water and sewer mains, \$350,000 for public housing, \$434,471 for highways, and \$40,000 for mercury vapor lights.

This amount of building proves that Cameron is not only growing in size but is improving its facilities to take care of increased population.

Oxsheer Smith In Washington About Brazos Dam Bills

Oxsheer Smith, director and chairman of the Finance Committee of the Brazos River Authority, left for Washington Tuesday in connection with pending legislation vital to the management of the present dams on the Brazos River and its tributaries.

The dams now constructed are paying their way and the proposed dams will pay for themselves in about forty years, Mr. Smith stated. As the law now stands, the Federal Government can reclaim these dams at the end of fifty years by paying any outstanding indebtedness.

Under the good management of the Brazos River Authority before the expiration of the fifty-year charter, these dams will be fully paid out and yielding the State of Texas general revenue \$3,000,000.00 to \$5,000,000.00 profit each year.

Mrs. Inez Collins and sons, Tom and Carter, have recently returned from a two weeks vacation with her sister and brother-in-law, Mr. and Mrs. T. H. DeLaurel of Lake Charles, La. Miss Charlotte Collins joined the family in Lake Charles for a few days visit.

Grace Stoenner of Buckholts entered St. Edward Hospital July 23 for surgery.

Fathers Must Send Evidence to Draft Board for Deferment

New regulations pertaining to the induction of fathers have been received by the Local Board office.

The regulations have now been changed to read that no man shall be deferred because of being a father unless he submits such evidence to the board prior to August 25. Even though a registrant might have a child born prior to August 25, 1953, but does not notify the board of this fact prior to August 25, 1953, he is not eligible for deferment.

Also, registrants who have previously been deferred because they are expectant fathers will no longer be eligible for the III-A classification unless prior to August 25, 1953, proper certification from a physician, as evidence of their expectant fatherhood, is in the hands of the board. No expectant fathers will be eligible for deferment after August 25, 1953. As in the case of father registrants, even though these men present evidence AFTER August 25 that they were expectant fathers PRIOR to August 25, they will not be eligible for deferment unless this written evidence is given the board PRIOR to August 25, 1953.

DWI and Firearms Cases Tried In County Court Monday

Two cases were tried in County Judge Charles C. Smith's court on Monday July 27.

Raymond Hubert was charged with driving while intoxicated. Upon arraignment he said he wished to plead "not guilty." Accordingly, his bond was set by the court in the amount of \$1,000.

Robert Eugene pled guilty to the charge of carrying a pistol. His punishment was the minimum fine of \$100 and cost of court.

Mr. and Mrs. R. W. Peterson of Houston spent several days here this week visiting her sister and brother-in-law, Mr. and Mrs. T. A. Crittenden, and her mother and father, Mr. and Mrs. Roy Griffith.

Rev. and Mrs. Henry Brown and Miss Sandra Lee and Julie Marie Krupicka of Waco visited in the home of Mr. and Mrs. Vince Krupicka of Buckholts recently.

I.C.C. Will Hear Southern Pacific Plea July 30, 31

The Interstate Commerce Commission will conduct a full hearing on July 30, 31 of the application of the Southern Pacific Railroad for permission to run a spur to connect with the Alumium Company of America railroad below Rockdale.

Oxsheer Smith, who will be in Washington, D. C. in connection with the Brazos River Authority, will represent Cameron and Milam County at the hearing. In this way this area will be represented without additional expense.

The original application of the Southern Pacific, which would cause them to share in the \$2,000,000 annual freight bill, was heard last December by an examiner or judge appointed by the Interstate Commerce Commission. This application was contested by the Missouri Pacific Railroad which at present is getting all of the freight. Mr. Smith states that the Southern Pacific Tract is practically as near to the plant as the Missouri Pacific Tract.

The evidence was presented and taken down by court reporters and arguments were made by attorneys for both sides. At this hearing the City of Cameron and Milam County were represented by Hillard F. Smith and Oxsheer Smith.

After five months the examiner rendered an adverse opinion to the Southern Pacific application. It was appealed to the Interstate Commerce Commission and a full hearing granted.

E. A. Craft, executive vice president, Southern Pacific Lines, was in Cameron last Friday making arrangements for this hearing. After conferring with attorney W. C. Wallace, who represented the Chamber of Commerce and other officials, it was agreed that Oxsheer Smith would represent Cameron and Milam County.

Hairston Reunion Scheduled Sunday

The Hairston family reunion will be held Sunday, Aug. 2, at the Rockdale park. Relatives are requested to come and invite their friends.

Each family is asked to bring a basket lunch to be served at the noon hour.

Several Cows Killed As Trailer-Truck Overturns Monday

About \$1200 damage was done when a cattle trailer-truck turned over about 2 p. m. Monday. The accident occurred about four miles south of Cameron on Highway 36.

Elwood Moore Tyson of Temple, driving the trailer-truck, lost control of the vehicle when it ran onto a soft shoulder. The truck overturned, killing four of the cattle, injuring others, and tearing up the bed of the 32-foot trailer. Highway Patrolman Worth Modestett stated.

Tyson was uninjured. Schiller Motors pulled the vehicle into town.

The truck, owned by Mr. Grimes of Temple, sustained about \$700 damage, while the dead and injured cattle were valued at between \$350 and \$500.

Castor Beans Will Be Harvested On 2 Farms Wednesday

There are 720 acres planted in Castorbeans in Milam County this year. The crops range all the way from poor to good. There will be two harvesting demonstrations held Wednesday, July 29, to help farmers to know when to harvest as well as to know how, J. D. Moore, county agent, said.

The beans will be thrashed at Giddings where a new plant has been built for that purpose. The beans cannot be thrashed if they are harvested too green. These demonstrations will help farmers to judge the correct stage of harvesting.

Men from A&M College will be at the demonstrations. One will be held on the Graham McLerran place 4 miles out of Cameron on the Milano Highway, at 8 a. m. July 29. Another will be on the E. J. Alford farm south of Rockdale, in front of the Ritz-Doss Home at 2 p. m. the same day. All castorbean men are urged to attend.

Marcelle Walker of Buckholts was admitted to St. Edward Hospital July 22 for surgery.

A hit and miss rain watered Central Texas late gardens Saturday leaving an inch and a half of moisture in Cameron. For most crops, though, the rainfall was too little and too late.

The heaviest rainfall was reported at the Temple airport where 1.69 inches were recorded. However, at the KTEM transmitter on the north side of town only .04 of an inch fell.

Tyler reported .93; College Station, .62; Lufkin, .27; Austin, .07; Houston, .06; Beaumont, .05; Waco and Victoria, .01; Solano ranch near Jarrell, 1.; but Jarrell itself, only a sprinkle; Prairie Dell, .05; Holland, 1.; and Bartlett, .05.

Children Must File School Transfers On Or Before August 1

Any child who will attend school next fall in a district other than the district in which he now lives, must file a transfer application with the County Superintendent ON OR BEFORE AUGUST 1, 1953. It is absolutely necessary for these transfers to be filed in case the child will not attend school in the home district.

The County Board will meet on August 3 to consider all transfers. The meeting will take place in the office of the County Superintendent, Hinton Pruett.

October 26 Date For Damage Suit

The case of A. R. (Bud) Johnson vs. Northern Assurance Company, Ltd., and Atkinson-Stallworth Insurance Agency, which was scheduled for trial Monday, July 27, in district court, has been continued until Monday, October 26.

The motion for a continuance was filed by the defendants and was granted by the judge, Leslie D. Williams of Brenham.

The suit was an action by Johnson to recover \$9,000 in fire loss damages.

Ray Newton of Maysfield is receiving medical treatment in Newton Memorial Hospital.

Mrs. Pearl Partridge of Gause came to Cameron on business Wednesday.

Milano Erects One-Day Building

Members of the First Baptist Church in Milano went to Sunday School Sunday in a building that wasn't started until 5:45 a. m. Saturday.

The building was constructed in one day by more than 80 carpenters, electricians and plumbers who donated their services.

The idea of the one-day operation was conceived only ten days ago. Although the church had been trying to raise funds for the building for the past six years, they had managed to collect only \$800. They called in Dr. Kenneth Berg, a former pastor of their church, and asked him to get them started. He laid the one-day plan before them and they decided to try it.

In the following ten days nearly \$4,000 was raised, all materials were contracted for at cost, the grounds were cleaned and leveled and a concrete floor and foundation were poured.

At 5:45 a. m. Saturday the actual building began. Workers assembled from Taylor, Temple, Cameron, Rockdale, Thordale, Gause, Caldwell and many other communities in the area. All worked for no pay.

"We aimed for 100 workers and hoped to get 50, but this is ideal," said the Rev. Dr. Berg as he surveyed the beehive of activities. At the start of the day there were 41 workers present; later on there were twice that number.

It was raining all around Milano Saturday morning and thunderstorms were threatening the area. "We had offered special prayers that it wouldn't rain," said Dr. Berg, who is conducting

a revival there.

By 7:45 a. m. the walls were constructed and put up. The whole operation was done on a coordinated plan. Each man was assigned a job according to what

he could do best. Electricians followed along right behind carpenters, and more carpenters followed the electricians putting walls in place as soon as wiring was completed.

By 11:30 a. m. the roof was ready for shingling, the asbestos siding was nearly complete and carpenters were nailing up sheetrock on the inside walls.

Just as the final outside work was finished, the clouds which had been hovering above the plot, let down a shower.

All of the work was completed about dusk.

The new building is 30x60 feet and has ten rooms including rest rooms and a kitchen. The size of the rooms will be flexible as movable partitions were used for walls. The building ordinarily would have cost \$10,000.

The man with the idea "what one man can do in a hundred days, a hundred men can do in one day," Dr. Berg, took little credit for the accomplishment. Recently pastor of a Fontana, California church, he had returned to his former pastorate in Milano to conduct their revival and bring the building project to completion.

The minister pushed credit for the undertaking upon Jack McLeroy, foreman for the job; Mr. Perkins of the Woodson Lumber Company; Guy Chandler of Cameron; and such local leaders as Joe D. Bullock, Cecil Pratt, Marvin Brannon, and Jack Wilkerson.

"Milano is a poor community," Dr. Berg said, but "they have visions of what they want and what they can do."

ALMOST FINISHED—Workers line the ridgepole completing the roof on the educational building of the Milano First Baptist Church. This photograph was taken about 11:30 a. m. Saturday showing the progress which had been made since 5:45 a. m. when only the foundation existed. The building was completed about dusk the same day. (Photo by Milton Brown).

what Short-Stroke Design means to you

In the early 1930's, Allis-Chalmers pioneered the short-stroke engine in the Model WC Tractor.

Since then, this basic improvement has been widely acclaimed in many type engines, including the latest cars and trucks. You get short-stroke design at its best — based on years of experience — in a new Allis-Chalmers WD or CA Tractor.

In the 2-plow Model CA, for example, you get maximum performance plus long engine life. The short-stroke design reduces piston travel to only 962 feet per minute, compared to 1200 feet or more on many other tractors.

Low piston travel in the CA means less friction, less wear, and continuous trouble-free service. For low first cost and long life... for more features than on any other tractor in its power class... get an Allis-Chalmers Model CA.

We'll be glad to demonstrate.

Beef Production Up On Tumlinson Farm Due to Conservation

By Clarence Stock, Member Board of Supervisors

Otto Tumlinson has been doing a very impressive job of soil and water conservation, and at the same time he is increasing the soil fertility and producing high beef yields per acre on his bottom land stock farm south of Cameron.

This place was a cotton farm for many years, then because of the reduced fertility, overflow hazard, and other reasons, the cropland was turned out to go back to native pasture. When Mr. Tumlinson took over several years ago, he developed a pasture improvement and grazing program calculated to give maximum beef yields with the minimum amount of labor, and at the same time conserve the soil and improve its fertility.

Oats, rescue, rye grass and Canada wild rye, in combination with the improved clovers, are the main cool season forage producers, while Bermuda, native bluestem and Johnson grass furnish most of the warm season grazing.

While all crops grown are considered good soil improving and high forage producing crops, Mr. Tumlinson is a firm believer in management. He furnishes the plant foods needed by fertilizing. Undesirable plants are controlled by clearing or mowing. Grazing is controlled to give the most production and at the same time allow full root development. Then enough stubble is left to protect the soil from the wind, water and sun.

Even though Mr. Tumlinson has increased his beef production to around 150 pounds per acre per year and his conservation program is taking care of the needs of the land and improving its fertility, he is still looking for anything that will do the job better.

District supervisors of Central Texas Soil Conservation Service welcome Mr. Tumlinson into the district as a district cooper-

Part of Bell County Quarantined Due To Swine Disease

Quarantine boundaries were announced Thursday in western and northwestern Bell county because of vesicular exanthema.

Limits of the area were fixed at U. S. Highway 190, State Highway 36, and Farm-to-Market 317.

This hog disease closely resembles hoof and mouth disease in cattle and is highly contagious.

Mrs. Joe Sheguit spent Wednesday afternoon visiting in the home of her brother, Mr. and Mrs. Charles C. Porter at Oaneville. Mr. Porter is Civil Engineer for a pipe line Company and the family has recently moved into their new home. Mrs. Sheguit also transacted business in Temple Wednesday.

It's Fine To Be Fooled - Sometimes

Handy Peters entertained for the ladies of the Auxiliary the other night — and had the ladies believing for a while that he's the best marksman ever.

Handy put on a great act. He set up a whole bunch of balloons on a muslin backdrop and then took out his pea-shooter. He shot blindfolded, standing on his head, every which way — and broke a balloon every time!

No wonder Handy impressed the ladies. What they didn't know — till the show's end — was that Buck Mulligan was hiding be-

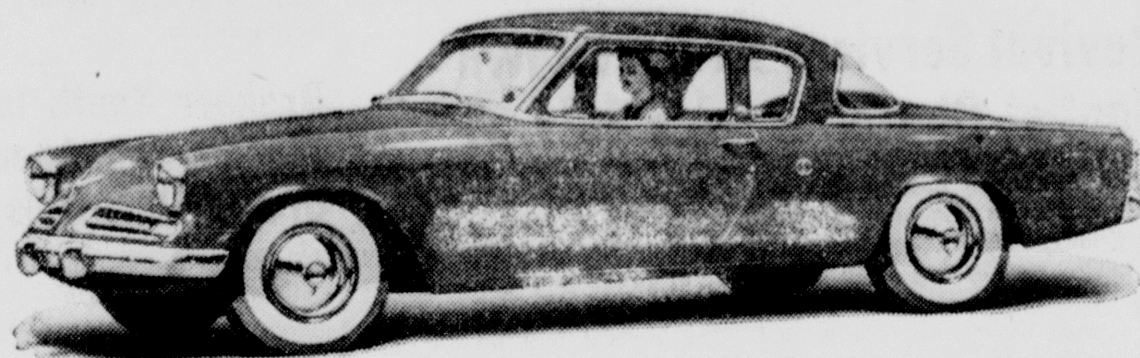

hind the backdrop improving on Handy's aim with a hatpin.

From where I sit, we all get things "put over" on us now and again. When it's good-natured — fine! But, some folks would like to fool the rest of us into believing it's wrong of them — just because they prefer something else. For real American tolerance and neighborliness these people are simply "off target."

Census Bureau Gives Statistical Picture Of Milam County

A "statistical picture" of Milam County's population, homes, business and agriculture is presented in the recently published 1952 edition of the COUNTY AND CITY DATA BOOK, according to Supervisor James M. Hamilton of the Census Bureau's district office at Fort Worth.

The frame of the picture consists of the basic data which show that Milam County has 23,585 inhabitants (1950), 8,262 dwelling units (1950), 2,807 farms (1950), 327 retail stores (1948) and 12 manufacturing establishments (1947). In the frame are some detailed figures concerning each of these items, such as:

POPULATION: The median age of the county's 23,585 inhabitants was 32.0 years; citizens 21 years old and over numbered 14,277; families totaled 6,030; the median family income (1949) was \$1,310; the median school years completed of persons 25 years old and over was 7.7.

HOUSING: 6,945 of the county's 8,262 dwelling units were occupied in 1950; 3.9 percent of the occupied dwelling units were equipped with central heating, 56.8 per cent had mechanical refrigerators, and 88.3 per cent had radios. The median value of one-dwelling unit nonfarm structures occupied by owners was \$3,171.

AGRICULTURE: The average value of land and buildings per farm was \$8,955; 2,169 of the county's 2,807 farms were electrified; total value of farm products sold in 1949 was \$8,297,000.

RETAIL TRADE: The 357 retail stores had 774 paid employees and reported sales totalling

King Ranch Bluestem Grass Provides Good Grazing in Summer

Soil Conservation Service technicians, working with Central Texas and Taylor Conservation Districts in the Cameron area, have been checking the progress on the introduced grasses which have been planted and grazed in this area recently.

In the Blackland, King Ranch Bluestem looks good. Roy Barmore is grazing the eighteen-acre planting on the Gordon Baskin farm. He reports that it is a grass that makes a lot of forage, the cattle like it and the big advantage is that it will furnish green grazing in the hot and dry months when the other grasses are dry. C. W. Hinyard has been grazing another planting on the M. J. Sparks farm.

He was sold on it last year during the drouth when it furnished green grazing while the other grasses were drying up. Other supervisors give us similar reports throughout the Blacklands.

King Ranch Bluestem looks good to us because it is a grass that can be seeded comparatively inexpensively per acre. It makes a fast start and will furnish grazing more quickly than most other grasses. It is a good erosion control grass and will respond to good management. Many farmers and ranchers throughout the district are making plans to use this grass on their heavier soils to furnish green grazing in the late summer and early fall when we usually expect a dry period and most of our early grazing is gone.

Pete Smith of Rockdale is receiving medical treatment in St. Edward Hospital.

Youth Groups From Other Towns Will Attend Round-Up

Youth groups from Temple, Waco, Rockdale and San Gabriel will attend the Christian Round-Up which begins at the First Christian Church Aug. 2.

Each evening a different group of young people will have charge of the special music. All the young people in Cameron are invited to attend this program.

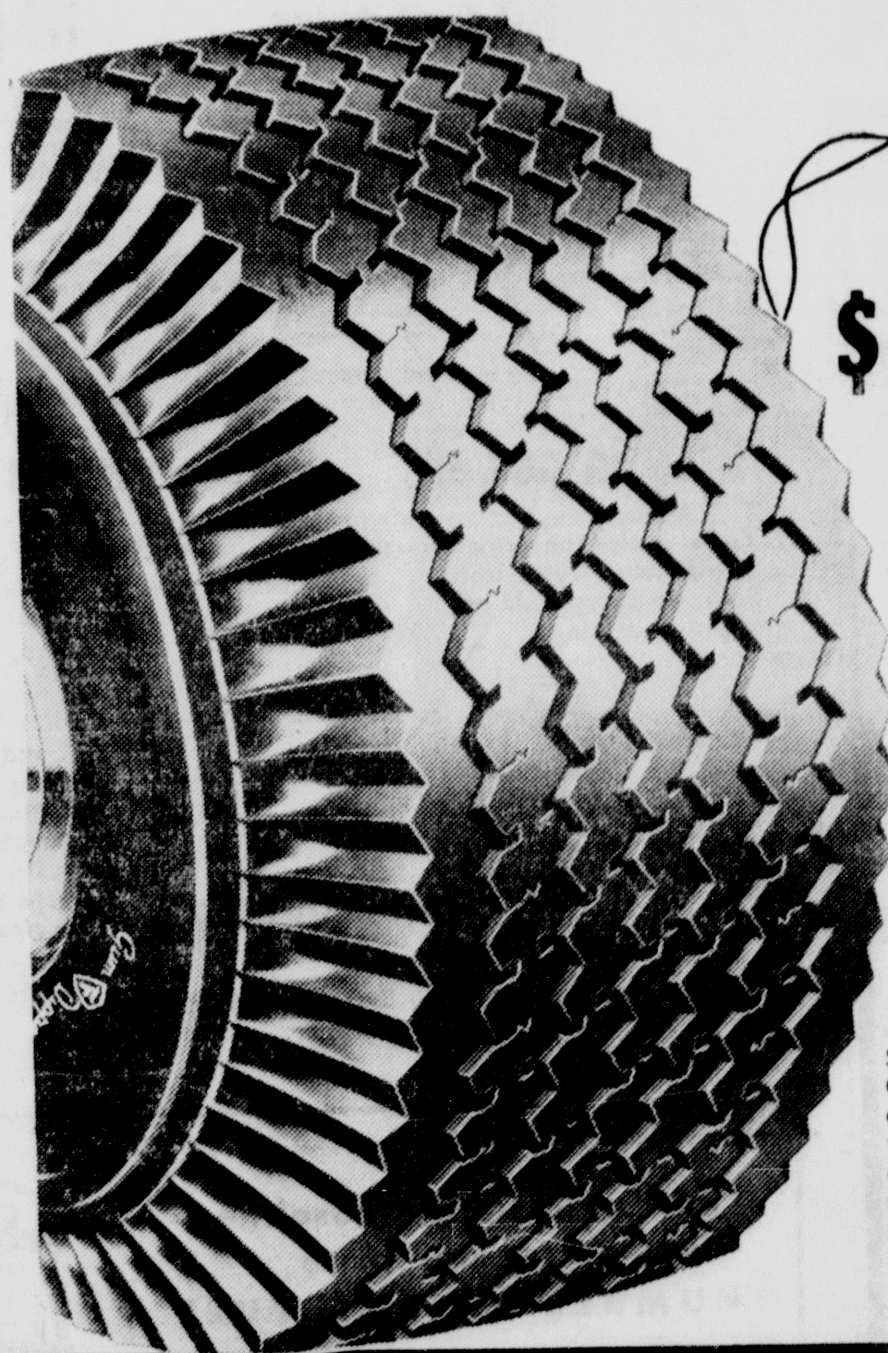

Even though the Round-Up is sponsored by the Christian Youth Fellowship group of the Christian Church, the program is aimed at achieving a better understanding between youth and adults in general.

Young people from the Methodist and Presbyterian churches are working on the publicity.

Scouts Get Seasick Hear Nixon, Swim In Cold, Cold Pacific

This is the second in a series of letters from Johnny Solomon, who, with others from Cameron, is attending the Third National Boy Scout Jamboree at Irvine Ranch, Santa Ana, Calif.

Thursday
California
July 23 1953

Dear sir:

The first thing I guess I should say is this Jamboree is one of the greatest experiences that I have ever had. You cannot imagine the immensity of this "Jamboree City" without seeing it.

We arrived at San Francisco on Sunday, the 8th. We got into buses and went across the Golden Gate Bridge and into Mur Woods. There we held services among the beautiful redwood trees. From there we went on a tour of San Francisco Monday morning. We slowed down at L. A. (Los Angeles) and then went on to Puente where we stopped and unloaded our baggage. We came into Irvine Ranch and found our section.

We checked out gear out and started setting up our camp.

Tuesday we got into buses and went to Catalina and ate dinner at the Chicago White Sox winter training camp. We went on several tours and on the way back the sea got rough and some of the boys got a little sick.

Thursday we went to Knott's Berry Farm which we enjoyed very much. That night we had

an opening campfire.

On Friday night we had our opening pageant in which 7,500 boys participated while another 92,500 people watched.

Sunday we had services at the arena. Sunday night Vice-President Nixon spoke and everybody held lighted candles during the service.

We have gone swimming four times in the Pacific and here! is it cold!

Will write another letter on the way home.

Sincerely,

Johnny Solomon
July 23 was the last official day of the Jamboree, and now the Heart O' Texas Scouts are on their way home. They will have a day's visit at the Grand Canyon en route to Texas. Their train is scheduled to arrive in Waco about 11:40 a. m. Monday.

Monday and Tuesday nights this week the Scouts were entertained by great names in the show business world, including Dorothy Lamour, Lash LaRue, the Bell Sisters, Jane Powell and Bob Hope.

When he saw the boys from all states and many foreign countries together, Hope quipped with more insight than comedy, "The Jamboree is the United Nations in short pants."

Frank Hyder, Hubert McClaren, Mrs. A. E. Bryant of Yarrington, and Ann Roschetzky are receiving medical treatment in St. Edward Hospital.

"CAN YOU DO MORE SUCH
AMAZING RESULTS?"

CHRONIC CONSTIPATION

Case No. 12—Lady, age 44, suffered with pains in arms and shoulders, frequent headaches and backaches, no energy, restlessness, chronic constipation, general poor health. After going the rounds of doctors and remedies she came to our clinic for spinal examination. After nerve testing equipment and spinal X-rays located the cause of her trouble we began spinal corrective adjustments to realign and remove interference in nerve wave frequency which restored normal function to the entire ill-functioning body. Last examination revealed all symptoms gone.

A NEW TRUTH:

History, ancient and modern, is bulging with the stories of shameful ridicule and actual persecution heaped upon the heads of those who dared to propound a new truth. Chiropractic is a NEW TRUTH about health. If Chiropractic was not filling a need it would have succumbed years ago to the pressure which continues against it. This new truth about health belongs to you, the people. Do not permit anyone to deny you the right to use it when you need and want it.

Jamboree Closes Amid Spectacular Fireworks Display

Johnny Solomon tells of the Scouts' return trip from the Third National Boy Scout Jamboree in California in his last letter to the Herald office. The group returned to Cameron Monday afternoon, still excited from all their adventures.

Sunday
On Train
July 26, 1953

Dear sir:

Boy, I have never seen so many movie stars in my life and I don't guess I ever will again. It is certainly nice of them to come out and perform for us.

We had three variety shows which included such personalities as Dorothy Lamour, William Demerest, Lash LaRue, Roy Rogers, the Bell Sisters, Jimmy Stewart and many others. On Tuesday night we had the big show. Bob Hope and Art Linkletter were the MC's (masters of ceremonies) and the stars that were there were Jeff Chandler, Jane Powell, Dick Powell, Debbie Reynolds, Rex Ritter, Mitzi Gaynor, Johnny Mack Brown and lots, lots, lots more.

Thursday being the last day, everybody was out horse trading. I heard several boys remark, "Don't trade with those Texans. They'll gyp you sure."

That night we had the closing pageant in which a Scout showed an old timer what Scouts could do in the way of Scout crafts. Then the big, beautiful fireworks show. I cannot express in words the beautifulness of this show. After this great show, all 50,000 boys locked arms together and sang "Old Lang Syne". This of all things should have been and was a fitting closing for a wonderful National Jamboree.

Yours truly,
Johnny Solomon.

Kyle-Curry Reunion Held Last Sunday

The Kyle-Curry reunion was held at Forest Grove Church on Sunday, July 26.

One hundred sixty-one relatives registered during the day. Numerous friends were also present. The oldest member of the original Curry family was Mrs. Dollie McCoy, 84. The youngest was little Cathy Grabein, 13 months, her great-great-granddaughter.

Wallye Jean Robbins Will Wed Ted Day Saturday, August 1

Mr. and Mrs. Alton Robbins announce the approaching marriage of their daughter, Wallye Jean, to Mr. Ted Day on Saturday, August 1 at 7 p. m. in the Full Gospel Tabernacle.

Miss Minnie Pearl Whittington will serve Miss Robbins as maid of honor, and Chuck Windsor of Austin will act as best man.

Rev. H. M. Bowley will perform the ceremony.

The wedding will be followed by a reception at the home of the bride-elect's parents, 904 East 2nd Street.

Varina Schuetze And Nelson Cravatt United in Marriage

In an early evening ceremony at the Ben Arnold Lutheran Church Miss Varina Schuetze and Mr. Nelson Cravatt were united in marriage Saturday, July 25. Rev. Albert Petrey, pastor, performed the ceremony.

Miss Schuetze was attended by Mrs. Doris Jean Swanzy as matron of honor. Robert Lee Schuetze served as best man.

Mrs. Cravatt is the daughter of Mr. and Mrs. Ed Schuetze of Burlington. She is now employed in Austin.

Mr. Cravatt is in the United States Army and was most recently stationed at Augusta, Georgia.

Following a short wedding trip, Mr. Cravatt will report to Fort Smith, Arkansas. Mrs. Cravatt will join him in the near future. Following the ceremony, a small reception was held at the home of the bride's parents.

Homemakers Plan Swim, Party After Friday Installation

After the installation of new officers, Friday, July 31, the Future Homemakers of America will enjoy a swimming party at the local swimming pool and then a slumber party at the Yoe High gym.

During the slumber party a picnic lunch will be spread and a business meeting will be held. Plans for the last summer meeting in August and the yearbook for the coming year will be discussed.

All members of the FHA are urged to attend.

TEC to Aid Farmers In Getting Migrant Laborers for Cotton

Earl H. Zieger, manager of the Rockdale Texas Employment Commission, announced that the commission will again assist Milam County farmers in securing migrant laborers for the 1953 cotton harvest.

Sometime early in August a concentration point will be set up at the intersections on Highways 36 and 77 for stopping and directing to the farmers the laborers migrating from South Texas.

Mr. Zieger further stated the demand is submitted weekly to the Control Station in San Antonio where the demand is extended to other TEC offices to direct surplus labor to areas with existing shortages.

Any farmer who will need assistance might contact Mr. Zieger at the Texas Employment Commission office, American Legion Building, Rockdale, or leave his name at the Chamber of Commerce office in Cameron.

Mrs. Bickett's 80th Birthday Celebrated With Open House

Mrs. A. W. Bickett, who will be 80 years old on August 5, was honored Saturday night with a pre-birthday open house. Many relatives and friends called between the hours of 6 and 9 p. m. to wish her a "Happy Birthday" and congratulate her upon a long and useful life.

The honoree received beautiful gifts from her callers.

Guests were received at the door by Miss Lenora A. Bickett and directed to her mother, Mrs. Bickett, seated in the reception hall. Presiding over the guest register was Mrs. Winifred M. Wittliff, sister of Mrs. Bickett. Arrangements of roses and crepe myrtle used throughout the house.

Mrs. M. H. Eldridge, who is here on vacation, directed the guests into the dining room where Mrs. T. R. Allen poured iced lime punch and Mrs. Olene Hanson of Houston served angel food cake. The dining table, covered with a lace cloth, was centered with a bouquet of red roses in a low glass bowl. The roses were surrounded by lacy fern. Mrs. Bickett's birthday cake was a white iced angel food, decorated with roses and the sentiment "Happy Birthday."

Mrs. Bickett was born in the Marlow community on August 5, 1873, the daughter of William Patrick and Lenora Adelaide Houston McDermott. Marrying A. W. Bickett before the turn of the century, Mrs. Bickett spent only the first year of her marriage away from the Marlow community. They returned to make their home on a farm east of Cameron. On this farm stands the home where Mrs. Bickett now lives. All of their children were born and reared at this place. Mr. Bickett died in 1931.

Hosts and hostesses for the birthday celebration were Mrs. Bickett's children: Mrs. M. H. Eldridge of Fort Worth, Mrs. Olene Hanson of Houston, and W. M. Bickett, Miss Lenora A. Bickett and Mrs. T. R. Allen, all of Cameron. Also assisting with hospitalities were Mrs. Franklin Fatheree of Austin and Monroe Dees of Cameron. Mrs. Bickett's grandchildren. They are the children of the late Mrs. Elizabeth Bickett Dees, Mrs. Bickett's eldest daughter who died in 1937. Mrs. Bickett reared these grandchildren in her home.

Mrs. Brashear Gets Ten-Year Pin From Telephone Company

Mrs. Mary Brashear was honored at a party given by the Telephone Company on July 22. The date marked her tenth anniversary with the company. About twenty employees were present in the employees lounge as Mrs. Ula Crook, chief operator, presented Mrs. Brashear with a ten year service pin. The employees also gave her a gift certificate.

The lace covered refreshment table held an arrangement of red roses in the center. Sandwiches, potato chips, pickles, and punch were served.

NEW BABY

Mr. and Mrs. Gregoria Vega, Cameron, announce the arrival of a daughter, Ysabeau, born at 4:14 a. m. July 27 in St. Edward Hospital. She weighed 9 pounds.

Millard Fincher Honored by Bell Telephone Company

Millard H. Fincher was honored by the Southwestern Bell Telephone Company with a supper Wednesday night at the Star Lite Club. The occasion observed his fifth year of service for the company.

Fellow guests were his co-workers in the telephone plant department, where Fincher is a station installer.

Fincher began work for the telephone company on June 5, 1948. He spent two years in service, one of them in Korea, since that date, returning to his former job in the fall of 1952.

The Southwestern Bell Telephone Company counts the time spent by employees in the armed services toward their seniority rating in the company, so that no penalty results from government service.

School Board Will Issue \$310,000 In Refund Bonds

Too Few Teachers To Fill Vacant Teaching Positions

A survey recently completed by the Texas State Teachers Association indicates that there will be only 2,550 new teachers available for approximately 8,000 vacant teaching jobs in Texas next September.

The Cameron school faculties are fairly well filled with only two vacancies existing, both elementary teaching jobs.

However, in Milam County the situation is different... fifteen teaching positions are vacant, with twelve of those in elementary schools.

The survey showed that there were 3,508 vacant teaching jobs—almost 1,000 more than the supply of new teachers—as of June 1.

There are usually more than twice as many teaching jobs vacant on September 1 as on June 1, because so many teachers find new jobs, outside the teaching profession, during the summer.

The survey showed that the annual turnover in teaching personnel is nearing 25 per cent. Records of the Texas Education Agency show that schools made 12,754 replacements during the 1952-53 school year. That means that one out of every five Texas teachers changed jobs during the past school year.

The fifty-one senior colleges and universities were surveyed on the supply of new teachers that will be available. Forty-nine of these replied, reporting that 3,660 graduating seniors were eligible for teaching certificates. But they also reported that only 2,550 said they would accept teaching positions. More than 30 per cent of those trained to teach said they planned to enter other fields.

The survey of superintendents showed that the teacher shortage is less critical in large cities which pay salaries considerably higher than the minimums re-

W. M. Bower Replaces Goodrich As Store Manager for Safeway

W. M. Bower, former manager of the Safeway Store in Taylor, took over the active management of the Cameron Safeway Store on Monday, July 27. He replaces R. I. Goodrich, who Monday assumed the management of the Taylor store.

As the Bower family now own their home in Taylor, they have made no immediate plans for moving to Cameron. In addition to Mr. and Mrs. Bower, there is a son, Jim, 19 years old, who is a student at Texas A&M College, and a daughter, Helen, a 16-year-old Senior at Taylor High School.

Mr. and Mrs. Goodrich and their two children will move to Taylor as soon as housing is

quired by state law.

Approximately 2,100 of the new teachers to be in demand next fall are needed to take care of an anticipated increase of 60,000 in the state's scholastic population. The shortage of primary teachers is the most critical with 354 schools reporting a shortage.

At a called meeting Monday of the board of the Cameron Independent School District, a motion was passed to issue the refund bonds in the amount of \$310,000.

This action will save taxpayers some \$35,000 in interest, the board explained.

At the Monday meeting Miss Lois Randolph was elected to the faculty of Ada Henderson School for the coming year.

Work is progressing on the O. J. Thomas gymnasium and on the vocational building. Plans are being made to have thorough shop training and vocational preparation, in addition to agriculture training, in the latter new building.

available.

Bower has been employed by the Taylor branch for about 5½ years, and Goodrich has been in Cameron for the past four years.

Mr. and Mrs. Thompson Kemp, of Dublin, visited his mother, Mrs. Lina R. Kemp, the first of the week.

Mrs. Rosa Kemp Adams and sister, Mrs. George Byrom, of Houston, spent the week end here at the Kemp home on West Main Street.

Dinner For Sunday School Officers At Perry Holder Home

Mr. and Mrs. Perry Holder entertained the officers of the Adult I Department of the First Baptist Church Sunday School and their husbands and wives with a dinner Thursday evening.

Tables, laid with white cloths, were arranged in the dining room and on the large, airy porch of the attractive Holder home. Vases of red sweetheart roses added a colorful touch.

Guests enjoyed a seated dinner which included stuffed ham rolls, vegetables, jellied salad, hot rolls, peaches and cream, cookies and iced tea.

Mrs. Holder was assisted in serving by her daughter, Miss Norinne Holder, Mrs. A. E. Jones and Mrs. Carrie Kuehl.

At the conclusion of the meal, the group informally discussed Sunday School problems and other pertinent topics.

Attending were Mrs. A. F. Russell, Mr. and Mrs. Edgar Plummer, Mr. and Mrs. Richard Moseley, Mr. and Mrs. A. E. Jones, Mr. and Mrs. W. E. Kuehl, Mr. and Mrs. Joe Denson, Mr. and Mrs. Edmund J. Miss Freeman Feted At Going Away Party By Mrs. V. Thweatt

Miss Jane Freeman was honored with a going-away party at 9 a. m. Thursday in the home of Mr. and Mrs. Vaughn Thweatt of Maysfield. Miss Freeman leaves August 10 for Germany as a 2nd Lieutenant in the United States Army. She is the daughter of Mr. and Mrs. W. C. Freeman of Maysfield.

Miss Freeman was presented with several going away presents.

Mrs. Herbert Thweatt and Miss Sue Butts directed a series of three games.

At the conclusion of the games, refreshments were served. The refreshment table, covered with a white linen cutwork cloth, was decorated in red, white and blue. An arrangement of red and white gladioli filled a tiny red, white and blue suit case. The napkins were printed with baskets of flowers in the chosen colors. Red fruit punch, ribbon sandwiches, tuna fish sandwiches, white decorated cookies and red and white mints were served.

Each of the 27 guests received a plate favor of a United States flag standing in a red mint.

You're off to a NEW POWER ADVENTURE

WORLD'S ONLY VERTICAL VALVE V8

GET behind this big, bold, beautiful front in the driver's seat—and get set for a new kind of automotive pleasure.

Get set for everything symbolized by the "V" of that ornament nestling in the nose of the hood.

Get set for the thrill of bossing the new V8 engine that crowns fifty great Buick years with record-high power.

This is an invitation to drive a 1953 Buick ROADMASTER—where you command the power of the first Fireball V8 engine.

It is the only American passenger-car V8 with vertical valves—for greater engine compactness, uniform oil distribution to valve stems, full turbulence in the fuel charge.

It is the first such V8 to reach 8.5 to 1 compression ratio—the first to exhaust through a muffler of zero power loss—the first with a whole long list of advanced engineering features.

But the translation of these features into performance is the real news, the real thrill. You accelerate, cruise, climb hills with the effortless ease of almost limitless power— instantly responsive.

You barely hear the velvety purr of the power flow—yet you're handling the highest horsepower in all Buick history.

And since you have this with the other great engineering advance—Twin-Turbine Dynaflo—you get brilliantly new getaway with complete and utter smoothness through all ranges.

Want to try it? Want to take the wheel of the greatest performing Buick in 50 great years and judge things for yourself? Drop in on us first chance you have, and we'll gladly arrange matters.

Tips for Preventing Polio Offered By State Health Officer

Polio isn't running wild in Texas this summer as it did in '52, but it is still smart to play safe with the kids, State Health Officer George W. Cox will tell you.

There are several common items parents ought to keep in mind during the polio "season." Dr. Cox lists them like this:

Don't get panicky. Keep in mind that half of all polio victims recover completely, and 30 percent of the other half recover with only slight weakness. Only 14 percent have lasting paralysis.

Realize that gamma globulin is not a cure for polio. There is no cure. GG is intended only as a temporary preventive against paralysis. At best it is effective only for 5 weeks, after which it has all been eliminated by the body.

Gamma Globulin has been tested on more than 54,000 children and the results, GG cannot alter the course of the disease.

You can find out whether or not your child is eligible to receive gamma globulin by asking the health officer in your county. He is familiar with the formula for GG distribution in effect in Texas.

Meanwhile, don't isolate your youngsters when you hear of a case of polio in the community. There is no point in letting them contact strangers, but they ought to be allowed in their usual circle of friends.

Keep them clean and see that they rest in the afternoon. A nap is fine, but even playing quietly part of the day will help conserve their strength.

Last, but highly important, call your doctor at the first onset of any of these signs: headache, fever, sore throat, upset stomach, stiff neck or back. The earlier a case of polio is diagnosed, the better are the chances for recovery without lasting damage.

Belton Boy Scout Selected as 1957 "Calendar Scout"

A Belton Boy Scout, Bertil Mattson, has been chosen to have his picture on the Boy Scout calendar for 1957. Mattson, 17, is the son of Mr. and Mrs. Bertil Mattson.

The Belton high school youth was chosen from more than 50,000 scouts attending the Third National Boy Scout Jamboree at Irvine Ranch, Santa Ana, California. He is a member of Troop 117 of the Heart of Texas Council.

BOYS' NATION

Two Texas Boys are learning a great deal this week about operations of the Federal Government. In Washington, D. C., for the week-long Boys' Nation, sponsored by the American Legion, were Ray Masters of Brownwood, Lone Star Boys' State Governor and Richard E. Chalmers of Houston, Lone Star Boys' State Lieutenant Governor.

Mrs. Springfield Dies Friday at Lott

Mrs. Alice Springfield, 84, died Friday in the home of her son-in-law and daughter, Mr. and Mrs. Fred Collier at Lott. Her death was attributed to a heart ailment.

Funeral services were held at 10 a. m. Saturday at Marlin, with burial in the Calvary Cemetery in Marlin.

A native of Mississippi, Mrs. Springfield had lived in the Lott and Marlin areas for many years where her husband, the late F. L. Springfield, engaged in farming.

Surviving are three sons, Chester and Cecil Springfield of Lott and Victor B. Springfield of Waco; four daughters, Mrs. Chris C. Parsons of Marlin, Mrs. Fred Collier of Lott, Mrs. W. N. Dunson of Taylor, and Mrs. Clyde Broome of Brownwood; three sisters, Misses Cleve and Helen McDonald of Dallas and Mrs. Winnie Dyas of Oklahoma City; 19 grandchildren and 12 great-grandchildren.

Rites For Mrs. Purtell

Final rites were held at 2 p. m. Sunday for Mrs. Ed Purtell, 28, who died early Saturday in a Marlin hospital after a ten day illness.

She was the sister of Mrs. James Coker of Rosebud and had been a nurse at Torbett's Hospital in Marlin for three years.

Mrs. Hughes Receives Master's Degree From Tennessee College

Mrs. Mary D. Hughes, former Milam County resident, recently received her Master's Degree from George Peabody College for Teachers at Nashville, Tennessee.

Mrs. Hughes is the wife of J. O. Hughes, who farmed and Cox lists them like this:

taught school in Milam County for many years. He also worked in the County Clerk's office and was a member of the Board of Education.

Mr. and Mrs. Hughes now live in Lacy Springs, Alabama and teach in the Morgan County Schools. Their school will open August 24 for the fall term, and will recess for three weeks in October for the children to assist in harvesting cotton. Mrs. Hughes states that in their present community the farmers work in defense plants, shoe factories, rubber plants and other public works after planting and tending their crops. The children then gather the crops.

Mr. and Mrs. Hughes are looking forward to returning to the Ad Hall community where he lived for many years.
